Guaranteed Early Check-in, Late Check-out Policy

Destin Dreamers does not guarantee any early check-in nor late check-out except in the circumstances listed below.

The guest must pay for an early check-in or late check-out “unoccupied night’s” rate fee. The unoccupied nightly rate is typically ½ the average price of the nightly rates for the reservation. This is subject to market pricing, circumstance, and may be higher or lower depending on the situation. Destin Dreamers will operate in good faith to provide a fair fee.

Destin Dreamers reserves the right to approve or disapprove early check-in and late check-out requests for any reason. Destin Dreamers does not discriminate based on any federal / state protected class related issues. Once approved, Destin Dreamers will do everything possible to honor the early check-in or late check-out. In the event the early check-in or late check-out has to be cancelled by Destin Dreamers, the full amount paid for early check-in or late check-out will be refunded to the guest.

Requirements for early check-in / late check-out:

To request and schedule an early check-in, please contact the Destin Dreamers staff. Please note the following considerations regarding early check-in and late check-out.

- The guest’s request for an early check-in or late check-out will most likely not be approved until 8 days before check-in.

If the early check-in or late check-out is approved:

- The guest must pay an unoccupied rate for the night before check-in on early check-in and for the night they check-out for late check-out. This rate will be a portion of the normal nightly rate.
- Any approved requests for early check-in or late check-out made within 72 hours before the check-in date will incur an additional fee of \$75 that goes to the cleaners for the extra burden of rescheduling all of the cleaning staff.
- Please note, early check-in or late check-out is only valid if Destin Dreamers authorizes it in writing and after the guest has paid the early check-in or late-check-out fee(s) respectively, including any additional fees for cleaners.
- Fees are subject to sales tax.
- In the event early check-in or late check-out is granted, a new door code will be generated and sent to the guest. If the guest does not receive the new door code, they are responsible to notify Destin Dreamers that a new code has not been received.
